A truly elite herd sire prospect who is a maternal brother to the Select Sires standout, JMB Traction 292. He is an extremely powerful Upward son out of one of the breed's most elite and proven donors, JMB Emulota 013. A stout featured, heavy muscled individual with great phenotype, excellent feet and is very sound in his structure. His dam, who records over \$300,000 in progeny sales, records BW 3@98; WW 3@113; YW 3@108; %IMF 15@100; UREA 15@104; and has 6 daughters in production with a combined nursing ratio of 104. Take note of his curve-bending EPD profile that places him in an elite position within the breed for many different traits including performance and end product merit.
